The Information Disclosure Statement filed June 22, 2005 has been received. However the information therein has not been considered. U.S. Serial No 10/529,289 is not available for review in the IFW system and no copy of this application has been furnished by Appellant for review and consideration. According to 37 CFR 1.98 Appellant is required to submit a copy of each U.S. pending Application which is not stored in IFW. Since no copy of U.S. Serial No. 10/529,289 has been furnished and since this application is not available in IFW, it cannot be considered.

The reply brief and request for oral hearing, both filed on June 24, 2005 are acknowledged. With respect to the reply brief, the Examiner maintains that the prior art rejections of record still anticipates and obviates the claimed invention for the reasons of record, most notably the most recent final rejection and most recent Examiner's Answer.
